HAMPTON CHARTER TOWNSHIP

Professional Engineering for Design Services for FEMA Safe Room Grant Project

The Charter Township of Hampton is requesting Sealed Bids for ***Phase 1 - Design of a Safe Room*** in compliance with the Federal Emergency Management (FEMA) grant under the Hazard Mitigation Grant Program. Bids will be received at the Hampton Township Administration Office located at 801 W. Center Road, Essexville, MI 48732 until **3:00 p.m. local time, March 29, 2024.** The Bids will be publicly opened and read during the April 1, 2024, Board of Trustee meeting that begins at 7:00 p.m.

The Request for Proposal Document outlining the scope of work can be found on the township website at www.hamptontownship.org.

The safe room will be constructed adjacent to an existing bathhouse structure within Finn Road Campground with the intent to provide shelter and necessities such as water, restroom facilities, lights, communications, etc. that would be needed during a severe weather event. The safe room shall be approximately 1,600 square feet and designed and constructed to meet FEMA P-361 requirements and the flood plain management criteria set forth in Title 44 of the Code of Federal Regulations (CFR) Part 60.3. The total grant project estimated cost is up to $750,000.

Project Location: Finn Road Campground, 2300 N. Finn Rd., Essexville, Michigan 48732

The Charter Township of Hampton reserves the right to accept or reject any or all bids, to waive informalities and make the award in any manner deemed in the best interest of the Township. Please direct questions to Terri Close, Supervisor at tmclose@hamptonmi.net or call 989-893-7541.
