

BEAVER TOWNSHIP

Zoning Administrator Job Opening

Beaver Township is seeking to hire a Zoning Administrator to administer and enforce the Beaver Township Zoning Ordinance. Applicants must have knowledge of a rural township's unique assets and problems and of Michigan statutes pertaining to township zoning, planning, and development. The ideal candidate will have knowledge of local government operation, effective communication skills (both verbal and written), satisfactory writing and computer skills, strong organizational skills, and be detail-oriented. The individual must be able to deal firmly, tactfully, and courteously with Township officials and the public. For more information and a detailed job description, visit the Beaver Township website home page. If interested, submit a resume and letter of interest to Beaver Township, 1850 S. Garfield Rd., Auburn, MI 48611 by April 20, 2023.
