Charter Township of Hampton USDA Wastewater System Improvements Project 2022 Lift Station Improvements

The Charter Township of Hampton is requesting Bids for the construction of *2022 Lift Station Improvements*. Bids for the construction of the Project will be received at the Hampton Township Administrative Office located at 801 W. Center Road, Essexville, MI 48732, until 11.00 a.m. local time February 1, 2023. At that time the Bids received will be publicly opened and read.

The Project includes the construction of one completely new sanitary lift station and abandonment of an existing lift station, and various levels of rehabilitation to twelve other lift stations throughout the Township.

The Issuing Office for the Bidding Documents is: Fleis & VandenBrink Engineering, Inc. (F&V), 2125 Ridgewood Drive, Suite 101, Midland, MI 48642 (989.837.3280). Prospective Bidders may request the Bidding Documents from the Issuing Office. Partial sets of Bidding Documents will not be available from the Issuing Office. Neither Owner nor Engineer will be responsible for full or partial sets of Bidding Documents, including addenda, if any, obtained from sources other than the Issuing Office. Bids will be accepted only from Plan Holders of Record. In order to be a Plan Holder of Record Bidding Documents must be obtained from the Issuing Office.

Bidding Documents will be emailed in portable document format (PDF) at no charge.

Bidding Documents also may be examined at the following locations:

**Builders Exchange of Michigan
Dodge Construction Network
Construction Association of Michigan**

Builders Exchanges are authorized to share the contract documents with other exchanges.

The date that the Bidding Documents are transmitted by the Issuing Office will be considered the Bidder's date of receipt of the Bidding Documents.

A pre-bid conference will not be held.

For all further requirements regarding bid submittal, qualifications, procedures, and contract award, refer to the Instructions to Bidders that are included in the Bidding Documents.

American Iron and Steel

Section 746 of Title VII of the Consolidated Appropriations Act of 2017 (Division A - Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2017) and subsequent statutes mandating domestic preference applies an American Iron and Steel requirement to this project. All iron and steel products used in this project must be produced in the United States. The term "iron and steel products" means the following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, reinforced precast concrete, and Construction Materials.

**The following waivers apply to this Contract:
De Minimis,
Minor Components,
Pig iron and direct reduced iron.**

The Charter Township of Hampton reserves the right to accept any bid, reject any or all bids, to waive informalities and make the award in any manner deemed in the best interest of the Township.
