DEADLINE FOR QUALIFICATION STATEMENTS: 4:00 p.m., April 6, 2026

DELIVERY OF QUALIFICATION STATEMENT WILL BE BY EMAIL ONLY
TO: growley@bangortownship.org

PURPOSE:

Bangor Charter Township will be accepting statements of qualifications, experience, and interest from qualified engineering consultants for providing preliminary, final design engineering, environmental reviews and permitting services for water system improvements. The Township will be using a Qualifications Based Section (QBS) process. Cost proposals are not requested and will not be considered at this time.

PROPOSED PROJECT:

The Project consists of making improvements to the township's water distribution system that will include adding a critical 12-inch water main loop under the Kawkawlin River at Euclid Ave., located approximately .5 miles north of Wheeler Road, and replacement of approximately 30 existing lead service lines located throughout the Township.

The RFQ will be limited to a total of 8 pages

The evaluation will be made based upon the following information provided in the RFQ:

- Familiarity with the Bangor Township.
- Previous experience relating to water distribution system improvement projects similar in scope and size that have been completed over the past 5 years. Each project listed must provide community name, project dollar amount, project description, funding source and community contact information.
- Firm's capacity to complete the project.
- Qualifications and experience of the project team members proposed for the project.

**QUESTIONS REGARDING REQUEST FOR STATEMENT OF QUALIFICATIONS
TO BE EMAILED TO:** growley@bangortownship.org

The Statement of Qualifications will be reviewed and evaluated by Township Staff. The firm determined to be most qualified will be recommended to the Township Board to complete this assignment. It is the intention of the Township to retain the selected firm in April 2026 for work to be completed by September 2026.

The Township reserves the right to accept or reject all RFQ's, waive any informalities and award the contract to the most qualified firm.
